

DTIC -- Defense Technical Information Center **Unclassified Defense Information Online**

DTIC provides relevant data on a wide range of defense topics. Get to know **DTIC** by searching for technical reports and student papers in support of your research.

- Go to < <http://stinet.dtic.mil> >
- Type keywords in the **Search For** box.

Helpful Hints:

Type **AND** to separate keywords. (i.e. Iraq **AND** terrorism)

- Search <stinet.dtic.mil> from NWC or from home.
- Print or download the papers and reports and cite them as stand alone documents.
- See a Reference Librarian for assistance in obtaining documents found in citation only format.
- For additional information see the Reference Guide, “[How To Search DTIC](#)”
- DTIC and other Reference Guides can be found on the Library’s homepage in the “Publications” section by selecting “Research & Library Guides.”
